

Adai Recipe|Murungai keerai Adai|Drumstick Leaves Adai

Adai Recipe or Drumstick leaves adai or murugakeerai adai dosa is a south Indian crepe made with dal, rice and spices. It is extremely easy to make healthy adai recipe for breakfast or dinner. This is my mom's version, in this adai dosa recipe, I have added murugakeerai (drumstick) leaves to the batter, to make it more nutritious and tasty as they are rich in iron, calcium and vitamin. Here the batter should be thick and coarse and this dosa does not need any fermentation. If you are looking for filling, delicious and healthy breakfast or dinner, then this adai is answer for you. Main accompaniment is adai – avial recipe is, it goes well with coconut chutney and podi.

- Crispy, flavourful adai is ready to serve coconut

chutney or avial or podi.

Tips For Making Adai

- Always use small onion for great taste. You can also use large onion.
- If you don't like drumstick leaves instead add grated vegetables like carrot, radish as my MIL does.
- Cook on low flame to get crispy also it takes more time to cook than normal dosa.
- Adjust the no of red chillies according to your taste.
- You can also sauté the drumstick leaves before adding it to the batter.

Health Benefits of Adai
