## Pudina Paratha

This green coloured mint paratha / pudhina paratha is a flavorful and tasty paratha recipe made with whole wheat flour, mint leaves, green chillies, ginger and other spices. This mint paratha recipe is very simple to make, a nice alternative to regular chapathi and it is filling for dinner. This is the first time I tried this mint chapathi, it tasted yummy with [lima beans curry](#) and [raita](#). Try this pudhina paratha at home and let me know how it turned out.
