

# CHANA SAAG RECIPE / SPINACH CHICKPEAS CURRY

Chana Saag Recipe / Spinach Chickpeas Curry is a smooth, creamy side dish made with white chickpeas, spinach and methi leaves. Chana means chickpeas and Saag means leafy greens (spinach and methi). This is one of my favourite vegetarian side dish for [chapathi](#) or [naan](#) or [jeera rice](#) or [bajra roti](#).

Once in a while, we go to Indian restaurant for lunch during weekend, the one dish which we like most is chana saag, the

restaurant's always have this dish in a buffet. We (me and my husband) both are foodies, love chana saag, so we want to replicate the same dish at home, we got the doubt, whether the restaurant's chef add only spinach or they add any other additional greens, after a long discussions, we thought of using two greens (spinach and methi) along with chickpeas, guess what, it tastes similar to restaurant style chana saag. I wanted to share the same recipe in my blog. For healthy version, we used only milk and yogurt. If you have cream, add it to the gravy instead of milk. I love to eat it with naan. Try this chana saag at home and let me know your feedback.

#### Notes

If you don't get methi leaves in your place, just use spinach alone.

You can also use canned chickpeas to make this curry.

Adding Milk is to get creamy taste. If you have cream, you can add instead.

You can follow the same recipe by adding aloo (potato) instead of chickpeas to get aloo palak.

Adjust the number of green chilly according to your taste.
