## Notes

Sesame Oil / Gingely Oil (Nalla Ennai) enhances the taste of this pickle. You can also use any oil to make.

Thakali oorugai should be kept in any Air tight container and refrigerating it increases it's self life. This can stay for 1 month. Make sure it is sealed good and always use dry spoon to take it out.

This pickle will splutter and splash while cooking making it a messy kitchen. Using a thick bottomed vessel or pan while making this pickle.
