Masal Vadai / Masala vadai / paruppu vadai / aama vadai is a popular South Indian addictive snack. In south Indian homes, during festival occasions, they make either [urad dal vada](#) or paruppu vadai. To make this masal vadai, you need channa dal and other ingredients like fennel seeds, ginger, garlic, onion and coriander leaves . I am not a big fan for this vadai, but I like it so once in a while I make it at home. Two yrs back in my in-laws house, they had a cook, she makes the best tea kadai style masala vadai for [mor kulambu](#). I would say it was a tastiest vadai I ever tasted in my life. Next time, when I

meet her, I should get a recipe from her. Also I love the masala vadai in Kovai Express train, which runs from chennai to coimbatore. When the vendor sells vadai and cross our seats, the aroma itself makes us hungry. We often travel in that train, when ever we travel, my father buy that vadai for us, it will be palm size, big vadai with lots of onions, both my parents love that paruppu vadai. We usually we don't eat snacks from outside but this is an exception. This aama vadai goes well with evening tea or as side dish for any variety rice like [lemon rice](#) or [tamarind rice](#) or [tomato rice](#) or [curd rice](#). If you got leftover vadai, you can make an another fabulous dish called [vada curry](#) which I have posted in my blog, check that for recipe. It goes well with [idly](#) or [dosa](#).

6. Hot, yummy paruppu vadai is ready to eat with tea.

#### Notes

If you are a spicy lover, add lot of green chilly in place of red chilly.

Rice flour is added for binding.

Adding ginger, asafoetida and fennel seeds is for easy digestion.

If your vada batter is dry, sprinkle little water.

If your batter is wet, add little more rice flour.

Always cook in a medium flame. If you cook in high flame, the inner part won'tt get cooked and it tastes raw.

If you have mint, you can add that too.

You can also make vadai with big onions.
