Aloo Ajwain Paratha

Potato stuffed Indian flat bread also called aloo paratha in Hindi (amalgamation of two words, parat and atta which means

layers of cooked dough) is a very popular breakfast dish in India. This flat Indian bread are made with whole wheat flour, stuffed with boiled potatoes, carom seeds, spices and ghee (clarified butter), cooked on a hot skillet with oil or butter and served with butter, yogurt and pickle. This is my classic family favorite paratha recipe. Every week I make variety of stuffed paratha, the stuffing may vary like spinach, cauliflower and peas. But I love aloo (potato) paratha, they are rich and delicious also I have added ajwain (carom seeds) to it, which makes the paratha more flavorful and aids in good digestion. Apart from that, I added some black salt, sugar and lemon juice, so you can taste all kinds of flavor on every single bite of paratha. Try this easy aloo paratha and let me know how it turned out. You can also serve aloo ajwain paratha with [dal makhani](#) or [dal tadka](#) .

Make equally sized balls out of the mixture and keep it aside.

Making of paratha

- In a mixing bowl, add wheat flour, oil, salt, mix well with a fork.
- Meanwhile boil the water in a kettle, when it is luke warm in temperature, pour them to the flour. Mix well with a fork. Leave the dough to rest for 20 mins.
- Starting kneading the dough with hand till soft and smooth. Divide the dough into equal sized balls.
- Heat a tawa or griddle. Dust the counter top with some flour, take wheat ball and roll it into circle, in the same way roll another circle not too thick too thin. Now place the stuffing in the centre of one circle, place the second circle on top of the first one. Seal the edges.

Tips

- Another way to roll out the paratha, is to add stuffing in the center, gather the edges, pinch it to the center and then seal it, start rolling like thick circular paratha. Otherwise still feel difficult to make paratha, add the stuffing, directly to the flour and then knead it with oil, salt and water and then start rolling like chapathi.
