to know about this poblano corn chowder after I tasted in Frontera fiesta Rick Bayless restaurant in Chicago airport. It was so creamy and yummy in taste, they served hot. It was very comforting, with the addition of milk and cheese, the soup was so flavorful and great. Try this chowder, you will love it ☐

Kollu Soup Recipe / Horsegram Soup

Kollu soup or Horsegram soup is my favourite soup. Kollu / Horsegram is a legume, is widely consumed in South India especially in Coimbatore and Erode district. It is very high in protein, calcium and iron. Kollu is very good for health and it has a lot of benefits like lowers cholesterol, treats skin rashes, reduces flatulence, cures ulcer and fever. You can

make lot of recipes using kollu like [kollu paruppu](#), [kollu rasam](#), kollu thogayal, kollu dosa etc. Kollu soup is very easy to make, delicious, flavorful, hearty and wholesome and works good for weight loss. If you want to reduce weight, take this kollu soup twice or thrice a week, you will feel it fresh and energetic, because you are eating horsefood so gives you more horsepower. Negative side of kollu generates lots of heat to your body results in sores inside mouth so balance it by consuming buttermilk. I am in US, weather is very cold so I made this soup and try this kollu soup recipe in your home and enjoy.
