

Rajma Cutlet / Rajma Aloo Tikki Tikki / Kidney Beans Patties

Rajma Cutlet / Rajma Aloo Tikki / Kidney Beans Patties are

healthy and nutritive snacks for kids and adults. This potato rajma cutlets are power packed food as rajma are rich in protein and aloo (potato) are rich in carbohydrates. Both protein and carbs plays an important part in helping you to shed extra pounds. I always use rajma (kidney beans) to make [rajma masala](#) or [rajma capsicum curry](#) or rajma paratha. This time I prepared rajma aloo cutlet to make sandwich. I will post rajma cutlet sandwich recipe tomorrow. Coming to the recipe, I used kashmiri rajma and I wanted to make kidney bean patties more healthier so I shallow fried the cutlets with less oil instead of deep-frying. Add veggies to the cutlet to enhance nutrition and you can pack this for kids lunch box. Try this easy rajma cutlet recipe and let me know the feedback.

Last week when I went to vegetable market, I got a big bag of roma tomatoes for a cheaper price. In Indian cooking, onion and tomatoes are two main ingredients we use a lot to make curries for chapathi or to make chutney for idly dosa. I always prefer tomato puree to make curry or soup. Here I used roma tomatoes, you can use any variety of tomatoes to make puree.

Making tomato puree at home is very easy, you need tomatoes, water and vinegar and 3 easy steps – blanch, peel and grind. You can use this tomato puree to make sauce or salsa or soup. Try this tomato puree homemade recipe free of preservative..
