7. Once it done, take the pakoda out, drain them in a paper towel to absorb excess oil.
8. Hot, yummy spinach pakoda is ready to munch with tea.

Notes

Do not add lot of water to the mixture. Water from onion and salt should be more than enough.

Always fry pakoda in medium high flame.

Add asafoetida to the mixture, I forgot to add.

You can also add chopped coriander leaves to the mixture.

Here I used dried curry leaves, you can use fresh one for more flavor.

Sabudana Vada

Sabudana Aloo Vada / Javvarisi vadai is a crispy deep-fried savory snack famous in Maharashtra (India). The important ingredients in sago vada are tapioca pearls, peanut powder,

mashed potatoes and spices to taste. These vada are crispy on outside and spongy on inside. My husband said it tasted almost like hash brown. I think, might be because of potato in it.
