

# Samai sambar rice / Samai bisibelabath Recipe

Samai in tamil, sama in telugu, same in kannada, kutki in hindi and chama in malayalam is the smallest of all millets . In English they are called Little millets. Millets are very good for our health, as they are rich in protein, vitamins, minerals and iron. Millets are good for diabetic people as they contain maganesium, as it regulates the secretion of glucose in body. Nowdays, I am including in my diet, I love

all kind of millets like varagu, samai, thinai, sollam and ragi. I brought only few millet bags from India, so experimenting few recipes with the available millets. This is one among them, today recipe is samai sambar rice / samai sambar sadam / little millet sambar rice / samai sambar bhat / samai bisibelabath. This samai sambar sadam recipe is a healthy south Indian one pot meal with all nutrients from dal and vegetables. samai sambar rice is very similar to [bisibelabath](#) without adding bisibelabath powder, instead I added [homemade sambar powder](#) and it tasted like restaurant style sambar sadham. You can replace samai with other millets like varagu or thinai or kuthiravalli. In this sambar rice recipe, I haven't used tamarind, instead I added more tomatoes. Try this yummy samai bisibelabath recipe in your home. Also check my other millet recipes.
