## Notes

Sesame Oil / Gingely Oil (Nalla Ennai) enhances the taste of this pickle. You can also use any oil to make.

Thakali oorugai should be kept in any Air tight container and refrigerating it increases it's self life. This can stay for 1 month. Make sure it is sealed good and always use dry spoon to take it out.

This pickle will splutter and splash while cooking making it a messy kitchen. Using a thick bottomed vessel or pan while making this pickle.

# Fried Palkova Modak Recipe / Fried Mothagam

Usually modak is made with rice flour and it is steamed. Here in fried palkova modak recipe it is deep fried, made with maida for outer covering and palkova for inner filling. The semolina we add here make the modak super crispy. This is my mom modak recipe and she tried the fried modak with coconut jaggery filling. I thought this kozhukattai recipe was quick to make when compared to the [regular kozhukattai](#).

Recently I tried my hands on Fried Modagam but I want to try it with something different filling so I used **palkova** for

inner filling, I was little nervous that the filling would come out and spoil the oil. But it came out nice and it was awesome in taste. You can use any filling that's your choice, either coconut jaggery filling or dal jaggery filling.
